Rev. E. F. L. GAUSS, Galena, Illa., writes—
"For over ten years I had been a great sufferer from pains in the small of the back and region of the kidneys, which was most excruciating and at times almost insufferable. Doctoring brought no relief, and I was finally advised to go abroad and seek the climate of my youth. In Germany and Switzeriand, eminent physicians, after close examinations, declared my sufferings to arise from disease of the kidneys, of long standing, and could do me no good. I was, however, benefited by the climate and consequently returned. No sooner had I been back and resumed my pastoral work, when the old trouble grew again so intense as to make life a burden. A few months ago I came in possession of one of Day's Kidney Pads, put it on, and the effects were truly wonderful. The pains at once grew less and are now, after wearing the second Pad, entirely gone, and there can be no doubt that I am entirely cured, as I write this some weeks after its use, and am atrong and look tagain the very picture of health. I write this perfectly voluntarily, and it is dictated only by truth and gratitude. Indeed, I consider the Day Kidney Pad Co. God's agents and great benefactors of mankind. May all the suffering be helped as I have been is my curect wish."
